

Message from Ruth Simpson, CEO  
June 27, 2010

### **Staff Update**

Suzanne McLay will be leaving us on July 7 to take a position closer to her home. We would like to thank her for all her hard work in her position as the Membership Services Co-ordinator and in her dealing with a challenging new registration system. We wish her well in her future endeavours.

In Suzanne's place, we are pleased that Colleen O'Hare, who had been assisting Suzanne, will be assuming the position of Membership Services Co-ordinator as of July 8.

The positions for the Assistant and the WAG Program Manager will be posted shortly.

### **Registration Information Package**

Thank you for your patience; we have been awaiting clarification on different matters and this should be finalized for distribution very soon. Please refer to the preliminary information that was sent out on June 16.

### **Year End**

Although many of you will be winding down as the end of the season approaches, some will continue to be active with summer camps and competitions.

We wish everyone a safe and enjoyable summer.
